Howdy Folks

Well spring arrived in Jackson and so did 7" of snow. When I arrived at the range Saturday morning at 10:00 there was just one pass made by a plow. I drove around a bit and made some phone calls to some cowboys and around noon we decided to go for it. The temperatures was rising and the snow was melting fast. At 1:30 Papa Gray, Lefty Colt, Chuckwagon Bill Lone wolf Austin and doc In The Box came to the range. We opened the storage containers and started pulling out the trailers. We set up 5 stages from March Shootouts in the Old West. We changed the stages to all stand and deliver. We cleared the snow from around the loading table and the area where the shooter and the TO would be standing. When we arrived Sunday morning it was cold, at about 32 degrees and things had iced up a bit but we had 51 shooters come and sign up to shoot. We started shooting around 10:00 after the first stage it warmed up

And the ice started melting and we now had a little mud to stand in. I had told the shooters that PC footwear was not mandatory. We wanted to have fun and get the cob webs out of our guns and heads. We didn't put out the swinging target, Texas Star or the plate rack but we did throw some soda cans up for shotgun blasting. We want to congratulate Ralphie Parker for wining Top Gun Honors at our first 2015 shoot. See ya'll next weekend for our April Match. Also the Cowboys vs Cops match has been cancelled.

Thanks
